Hi. Below please find the complete proposed response (with OGC comments) to the TA request on the PFAS TRI draft bill. The draft TRI bill attached includes the 2 questions related to the responses below. You have already seen the proposed response to 1 of the 2 questions. I sent it earlier along with the section 8 TA response document. All are due to OCIR and the SEPW on Monday. Please advise. I will keep a look out over the weekend on my phone. Have a nice weekend.
